

| TRACK | DESCRIPTION | EDITS/LOOP |
|-----------------------|--|---------------------------------------|
| 1. The Village | Peaceful village background music. Ideal for RPG games, fantasy / adventure or animation. | Full Track (0:58) Full Loop (0:56) |
| 2. Happy Village Town | Peaceful flute panpipes melody set over soft syncopated bouncy chords. Medieval or olde worldly pirate adventure. | Full Track (0:38) Full Loop (0:37) |
| 3. Village Story | Peaceful scene music showing the quiet times either in between battles in medieval times and fantasy adventures or a time of blissful misplaced contentment in a more futuristic setting. Ideal for video games and animation. | Full Track (0:34) Full Loop (0:32) |
| 4. Village Party | A slightly askew western hoe down style theme ideal for RPG or adventure game where the player has moved into a street or town party atmosphere. | Full Track (0:37) Full Loop (0:32) |
| 5. RPG Town Shop | Muzak inspired simple yet catchy theme performed by a variety of wind instruments with drum and syncopated key backing. Ideal for RPG store music, puzzles or establishing shots for quaint sleepy towns, stores or cheesy comedies! | Full Loop (0:27) |

Village and Town Music Pack
